Prevalence (Number) by Income and State: BRFSS 2000

Note 1: CI designates confidence interval.

Note 2: US total includes 50 states plus the District of Columbia and excludes Puerto Rico.

Footnote 1: If values for the standard error and the 95% confidence intervals are not provided, the normal approximation to the binomial distribution does not apply due to small sample size.

Footnote 2: When the sample size is less than 50, estimates are not precise and should be interpreted with caution.
