[a]Aged 0–17 years
[b]Current asthma question: Does the child still have asthma?
[c]Weighted number of respondents who answered the current asthma question
[d]Unweighted number of respondents who answered the current asthma question
[e]CI denotes confidence interval
[f]Total includes data from 29 states and DC but excludes Puerto Rico and U.S. Virgin Islands
(.–.) or empty cell:Suppressed if the normal approximation to the binomial distribution does not apply due to small sample size or relative standard error (RSE) > 30%
