⁷ The FY 2012 and FY 2013 amounts reflect the Federal government's estimated obligations.

⁸ Total amounts available for the World Trade Center Health Program are subject to a \$9.7M sequester. Because the amounts available for the program in FY 2013 exceed the estimated obligations, the sequester will not impact obligations this fiscal year. The reduced amount will be reflected in amounts available for the program in FY 2015.
