Diabetes Self-Management Education & Support/Training & Medical Nutrition Therapy Services

MEDICARE COVERAGE: Diabetes self-management education and support/training (DSMES/T) and medical nutrition therapy (MNT) are separate and complementary services to improve diabetes self-care. Individuals may be eligible for both services in the same year. Research indicates MNT combined with DSMES/T improves outcomes.

DSMES/T: 10 hours initial DSMES/T in 12-month period from the date of first session, plus 2 hours follow-up per calendar year with written referral from the treating qualified provider (MD/DO, APRN, NP or PA) each year.

MNT: 3 hrs initial MNT in the first calendar year, plus 2 hours follow-up MNT annually. Additional MNT hours available for change in medical condition, treatment and/or diagnosis with a written referral from any physician (MD/DO).

Medicare coverage of DSMES/T and MNT requires the referring provider to maintain documentation of a diagnosis of diabetes based on the following:

- fasting blood glucose greater than or equal to 126 mg/dl on two different occasions
- 2 hour post-glucose challenge greater than or equal to 200 mg/dl on 2 different occasions
- random glucose test over 200 mg/dl for a person with symptoms of uncontrolled diabetes

*Other payors may have other coverage requirements. (Source: Volume 68, #216, November 7, 2003, page 63261/Federal Register)

PATIENT INFORMATION

Last Name _____			First Name _____			Middle _____			
Date of Birth ____/____/____			Gender: <input type="checkbox"/> Male <input type="checkbox"/> Female <input type="checkbox"/> Other: _____						
Address _____			City _____			State _____		Zip Code _____
