

Table 68. Live births, infant, neonatal and postneonatal deaths, and mortality rates mother's Hispanic origin and race of mother for non-Hispanic origin by 130 selected infant causes: United States, 2001 period data

[Infant deaths weighted. Infant deaths are under 1 year. Neonatal deaths are under 28 days; early neonatal, 0-6 days; late neonatal 7-27 days; and postneonatal, 28 days through 11 months. Rates are per 100,000 live births. Race is according to race reported on the matching birth certificate]
