

2022 HAI Rebaseline Blast Email

Email sent to: all Patient Safety Component NHSN users [Blast Email July 2024](#)

Email sent on: July 2024

We are excited to announce that new Rebaseline materials are now available on the [NHSN 2022 HAI Rebaseline website](#) (<https://www.cdc.gov/nhsn/2022rebaseline/index.html>)! We have made updates to the webpage layout to enhance your experience and provide you with the most current resources and information.

What's New?

- **Education and Analysis Resources Pages:** Find existing and new educational materials and analysis tools in one place. See more details below.
- **Updated webpage layout:** Navigate through a refreshed and user-friendly home page.
- **Newsletter Articles and Archived Communications:** Access previous communications easily.

Available Educational Materials

To view available educational materials, navigate to the [Education & Analysis Resources webpage](#) and select the "Education & Training" tab.

- **New! Quick Learn: An Introduction to Updating the National Baseline** – A short (8 minutes) recorded presentation which introduces the concept of the 2022 HAI Rebaseline and explains how it will impact facilities.
- **New! Fact Sheet: What is the 2022 HAI Rebaseline and Why is it Important?** - A concise, user-friendly document that provides key information and essential details about the 2022 HAI Rebaseline.
- **Presentation: Prep Like a Pro: What to Expect from the 2022 HAI Rebaseline** - A full length presentation from NHSN's 2024 Annual Training that introduces the SIR, the Rebaseline, what to expect in the NHSN application, and how to prepare for the new baseline.
