To Whom It May Concern:

I would like to participate in the informal public meeting to discuss the new NIOSH regulation on Respiratory Protective Devices, 42 CFR Part 84. I understand that this meeting will be held on June 7 and 8, beginning at 9:00 am at the Holiday Inn Capitol, Washington DC. At this time I do not plan to make an oral presentation.

I will be attending on behalf of TSI Incorporated, a supplier of test equipment for filters and respirators. I will be out of town for the next two weeks, so if you need to contact me, please call my associate, Tyler Beck at 612-490-2833. Thank you.

Sincerely,

Patricia Keady
Sales and Marketing Manager, TSI Particle Instruments
