To Whom it May Concern:

This should serve as a formal written request to participate in the public meeting to be held on June 23 and 24, relative to the proposed NIOSH rules in the May 24, Federal Register. While I have already called to confirm that I wish to speak on Friday, June 24, I have not received actual confirmation in writing and presume that this will suffice.

The request to participate is made on behalf of Elizabeth Sommers Strevey, Senior Vice President, Greater New York Hospital Association, which represents the interest of more than 170 not-for-profit hospitals and nursing homes in New York City and surrounding suburbs.

Thank you for your consideration of this request. Please advise if there are any problems.

Yours truly,

Elizabeth Sommers Strevey
 Senior Vice President
 Regulatory and Professional Affairs
