Guidelines for Determining Probability of Causation under the Energy Employees Occupational Illness Compensation Program Act of 2000; Revision of Guidelines on Non-Radiogenic Cancers

Comment On: CDC-2011-0003-0001

Revision of Guidelines on Non-Radiogenic Cancers

Document: CDC-2011-0003-0038

Comment on FR Doc # 2011-06329

Submitter Information

Name: Darolyn Fischer

General Comment

NIOSH Director;

I support the proposal to include CLL in the EEOICPA as written in the revision of guidelines on non-radiogenic cancers, pertaining to RIN 0920-AA39 and 42 CFR 81.30. To exclude one form of cancer for potential compensation benefits is an injustice when all others, including the acute form of the same disease is covered.

Sincerely,

Darolyn Fischer, RN
