Hello! My name is Donnie Wadkins. I am with the Pace Fire/Rescue District. I have been in the fire service for 40 years. Recently, I had the chance to purchase some new SCBA bottles from SCI.

We found that SCI bottles are built tougher than the MSA and Scott bottles and we only paid almost half the price for the SCI bottles than the other brands.

I would like you to consider changing this Docket @221 for separate approval for cylinders. Again, this saves money that we don't have.

Regards,

Donnie Wadkins
