Docket Officer,

I am requesting 15 minutes to present oral comments on June 19, 2002 NIOSH at the public meeting at the Sheraton Station Square, Pittsburgh, PA. The meeting will address the development of a NIOSH standard for CBRN APR.

I am pleading for time on the morning of June 19th. Any and all efforts to get me on the schedule before 10AM would be greatly appreciated.

Please respond that you have received this request.
