Address
8767 132 Street
Surrey, B.C. v3w 4p1
Canada

Comments
To Whom it May Concern: The Surrey Fire Service supports modification of 42 CFR 84 to allow for seperate, stand alone approval of cylinders. With the budgetary challenges that fire service providers face on a constant basis, such a modification is welcome, especially in light of the fact that it will have no negative impact on safety standards.
