

# Health Hazard Evaluation Program: Progress in Implementing the National Academies' Recommendations

NIOSH Board of Scientific Counselors

June 20, 2014

# The recommendations

Requestor diversity	<ul style="list-style-type: none"><li>• Reach underserved, sm. business</li><li>• Coordinate w/agencies</li></ul>
Emerging hazards	<ul style="list-style-type: none"><li>• Be proactive</li></ul>
HHE recommendations	<ul style="list-style-type: none"><li>• Evaluate impact</li><li>• Ensure quality</li></ul>
Dissemination	<ul style="list-style-type: none"><li>• Innovate</li></ul>
Policy	<ul style="list-style-type: none"><li>• Work with agencies</li><li>• Interact with NORA</li></ul>

## Progress

Making a good  
faith effort

Responding to  
external factors

Learning and  
changing

Impact

Policy, Guidelines

Workplace  
ripples

**1 Workplace**

## Future

Adapt & stay relevant

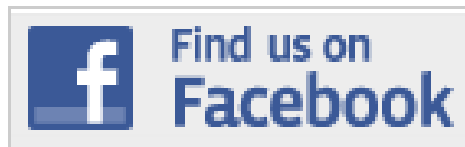

Monitor & evaluate impact

Maintain the unique role of  
the HHE program as a public  
health resource for employers  
and employees

# We look forward to your input!
