

# ASSESSING AND ADDRESSING OPIOID USE DISORDER (OUD)

## WB4664

**PROGRAM DESCRIPTION:** This enduring activity is designed to increase knowledge and change competency of clinicians on identifying patients at increased risk for opioid overdose and practices and strategies for offering naloxone.

### OBJECTIVES:

At the conclusion of the session, the participant should be able to:

1. Describe the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM-5), assessment criteria that indicate a diagnosis of opioid use disorder (OUD).
2. Describe how OUD can be discussed with patients.
3. Describe the types of medications for opioid use disorder (MOUD).
4. Recognize the importance of care coordination and interprofessional collaboration in the treatment of opioid use disorder.

### FACULTY/ CREDENTIALS:

Christina A. Mikosz, MD, MPH, Lead Medical Officer, Division of Overdose Prevention, National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention

Molly Dowling, MPH, Health Communications Specialist, Division of Overdose Prevention, National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention

**ACCREDITATION STATEMENTS:**

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**CME:** The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **0.5** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CNE:** The Centers for Disease Control and Prevention designates this activity for **0.5** nursing contact hours.

**CEU:** The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program

**DISCLOSURE:** In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.

## **Instructions for Obtaining Continuing Education (CE)**

To receive continuing education (CE) for **WB4664-Assessing and Addressing Opioid Use Disorder (OUD)**, please visit [CDC TRAIN](#) and search for the course in the Course Catalog using **WB4664**. Follow the steps below by **06/16/2025**.

1. Register for and complete the course.
2. Pass the post-assessment at 80%.
3. Complete the evaluation.
4. Visit Your Learning to access your certificates and transcript.

**FEES:** No fees are charged for CDC's CE activities.
