Because of a technical error, mathematical symbols in Table 1 of the article “Improvements and Disparities in Types of Foods and Milk Beverages Offered in Elementary School Lunches, 2006–2007 to 2013–2014” were incorrectly presented as equal signs instead of inequalities. The article was corrected on April 14, 2017, and appears online at https://www.cdc.gov/pcd/issues/2016/15_0395.htm. We regret any confusion or inconvenience this error may have caused.
