

# PHEP Budget Period 5 (BP5) Cooperative Agreement Reporting Requirements

## June 2024

Public Health Emergency Preparedness (PHEP) cooperative agreement recipients must address and comply with PHEP requirements for the strategies and activities listed in CDC's 2019-2024 PHEP notice of funding opportunity ([CDC-RFA-TP19-1901](#)), as well as other requirements associated with statute and U.S. Department of Health and Human Services (HHS) grant guidance.

The PHEP Budget Period 5 (BP5) reporting requirements overview summarizes various deliverables, including deadlines, which recipients are required to submit, and under what circumstances. It describes PHEP benchmark requirements and provides a chronological list of BP5 programmatic reporting requirements for the remainder of BP5.

Details for each requirement are noted in the following tables.

- Table 1: PHEP BP5 Benchmarks
- Table 2: PHEP BP5 Reporting Requirements by Due Date

Requirements and deadlines related to Public Health Crisis Response Cooperative Agreement funding are not included in this document.
