¹Includes persons born outside the United States (including the U.S. territories), except persons born to at least one U.S. citizen parent.

²Persons of Hispanic ethnicity may be of any race or multiple race.

³Indicates two or more races reported for a person and does not include persons of Hispanic/Latino origin.

Note: Case counts for race categories (American Indian/Alaska Native, Asian, black/African American, Native Hawaiian/Other Pacific Islander, and white) are mutually exclusive and do not include persons of Hispanic ethnicity or multiple race.

See Technical Notes.

See Surveillance Slide #15.
